Gabriel Paul E. Magdugo

Software Developer | Computer Science

Consolacion, Cebu, Philippines | magdugogabriel@gmail.com | +639055774470 | LinkedIn | Github | Portfolio

SUMMARY

Detail-oriented Computer Science student skilled in web and mobile development, data structures, and algorithms. Proficient in Node.js, ASP.NET/C#, Supabase, React, Next.js, and React Native. Experienced in project management and UI/UX, with a strong drive to build scalable, user-focused applications. Seeking an internship or entry-level role to apply technical and analytical skills in a dynamic environment.

EXPERIENCE

Alliance Software Inc. — **Cebu City, Cebu**
Software Developer Intern — *June 2025 –July 2025*

- Spearheaded frontend development and UI/UX design for a dynamic knowledge management platform using ASP.NET MVC, Razor, Microsoft SQL Server, and Tailwind CSS
- Delivered a full suite of responsive, user-friendly web interfaces, implementing advanced features such as dynamic tables, modals, and interactive forms to enhance usability and engagement

FEATURED PROJECTS

PawHuway

- Led the team as a Full Stack Developer and developed an all-in-one platform designed to connect pet owners, veterinarians, and clinics.
- Manages essential pet information such as medical history, prescriptions, and patient records in a centralized system.

Ma22

- A learning management system platform that enables users access to structured learning content and progress tracking with admin-side CRUD operations for managing trainings and topics.
- Led frontend and UI/UX using modern frameworks and clean design principles

EDUCATION

University of the Philippines Cebu — **Lahug, Cebu City**
Bachelor of Science in Computer Science — *August 2022 – Present*

University of Cebu — **Banilad, Cebu City**
Science, Technology, Engineering & Mathematics Strand — *June 2020 – July 2022*

CERTIFICATIONS

HTML, CSS, and Javascript for Web Developers — **Coursera**

- Completed a friendly course on the basics of Web Development

Scholars Technopreneurship Training Program — **DOST-VII**
